In March, carers gathered at Callendar House to celebrate another fantastic year of Care with Confidence.

There was an opportunity to reflect on the sessions delivered in the past year and for carers to suggest their ideas for the future. This was followed by a talk from Ian Scott, local historian, on the changing face of the NHS and the journey carers have had throughout Falkirk.

Donna and Rebecca, Carer Training Co-ordinators, are now eager to put learning from the morning into practice in planning forthcoming Care with Confidence programmes.

Details of Care with Confidence programmes are available from the Carers Centre and information is regularly posted on our website and Facebook page.
Carers Week is an annual campaign to raise awareness of caring, highlight the challenges carers face and recognise the contribution they make to families and communities.

The campaign is supported by thousands of individuals and organisations who come together to organise activities and events throughout the UK.

The focus for Carers Week this year is building communities

The focus for Carers Week this year is building communities which support carers to look after their loved ones well, while recognising that they are individuals with needs of their own.

To celebrate the contribution that local carers make, the Carers Centre is organising a Fun Day for carers at the Centre in Falkirk on Wednesday 14 June and other activities throughout the week including individual pampering sessions. In Clackmannanshire, there will be a special silk scarf session at the Carers Coffee Morning on Monday 12 June and on Wednesday 14 June carers will be enjoying Afternoon Tea at Dunmar House.

For further information about what’s on during Carers Week, contact the Carers Centre or visit our website or Facebook page nearer the time.

Celebrating carers throughout the UK!
The Coalition of Carers in Scotland
The Coalition of Carers in Scotland held a meeting on Wednesday 29 March.

The theme of this meeting was ‘Equal, Expert and Valued’. There was an update from the Scottish Government on preparations for the Carers Act; an opportunity for delegates to contribute to the developing regulations and guidance to accompany the Carers Act; and a report entitled ‘Equal, Expert and Valued’ highlighting carer representatives’ experience on Integrated Joint Boards.

Carers Act Workshop
The Carers (Scotland) Act 2016 will be coming into force next April 2018. In March this year, Shared Care Scotland facilitated the first in a series of workshops in Falkirk to bring local services together to:

- provide an overview of the Carers (Scotland) Act 2016 and to explain why this new legislation has been developed
- set out the ‘headline’ provisions of the Act, including new statutory duties
- explore the implications of the Act on our work, and also how it will support existing good practice
- identify further actions to be taken forward to ensure we are ready for implementation

After the Introduction by Don Williamson, Chief Executive, Shared Care Scotland, a local Falkirk carer spoke about her personal experience of being a carer and the challenges she faced. Moira Oliphant, Team Leader, Carers Policy, Scottish Government gave an overview of the Carers Act and Margaret Petherbridge, Project Development Manager, Self-directed Support, Falkirk Council gave a presentation on ‘Carers Act Preparations - What Next?’

Further workshops are planned.

Fixers
Fixers are young people using their past to fix the future.

They are motivated by personal experience to make positive change for themselves and those around them. The message from Robbie, Lauren, Chelsi & Eireann, young adult carers who have been working with Fixers on a project to promote their skills is:

“We’re a group of young adult carers from Falkirk and Clackmannanshire. We are proud to be carers and want to show how our life skills can also be used in a professional environment”

The project is at the final stages and a postcard that has been produced as part of the project is almost ready to go to the printers.
Details of all our activities will be publicised in our regular e-bulletin, on our website and via Facebook and Twitter. If we do not already have your email address, please get in touch so we can keep you up to date, or follow us on Facebook and Twitter.

Falkirk Community Groups

In Falkirk, there are monthly group meetings in Bo’ness, Larbert and Polmont with a full programme of activities and speakers taking place over the year.

The groups provide an opportunity for carers to meet with other carers in their own area to chat, share information, enjoy some new activities and have a break from their caring role. Topics for the year include local history, first aid, jewellery workshop, managing medication, coping with stress, gentle exercise and much more. Falkirk community groups don’t meet in July or August but carers who normally attend the groups will be invited to a summer activity in August. To find out more about local carer groups in the Falkirk area, contact the Carers Centre or visit our website for details of the full programme of activities for each group.

Improving the Health and Wellbeing of Carers – Short Breaks For Carers

The Carers Centre provides individual and group support for carers. A range of activities and groups for carers take place at the Carers Centre in Falkirk and at other venues throughout Falkirk and Clackmannanshire. Details of all the Centre’s groups and drop in sessions in Falkirk and Clackmannanshire can be found on the back page of the newsletter and on our website.

Health & Wellbeing Programme

Thanks to funding from the Falkirk Integrated Care Fund, the Centre in Falkirk is able to offer a programme of activities designed to improve the health and wellbeing of carers.

There is an ongoing programme of stress management and pampering sessions for individual carers and recent group activities have included chair yoga, weight management, podiatry and singing workshops. Carers have also had the opportunity to have a personal health check from a local Keepwell Nurse Assessor.

The forthcoming programme includes:

- **Pamper Sessions** (1 hour appointments)
- **‘Keep Well’ Health Checks** (1 hour appointments)
- **Stress Management Sessions** (1 hour appointments weekly for a 4-week block)
- **Podiatry** (30 minute appointments)

Details of the current programme are available from the Carers Centre and on our website and regular updates are posted on our Facebook page. Please get in touch if you are interested in booking a place on any of our health and wellbeing activities.

Men’s Group

The Men’s Group which meets from 12 noon to 2 pm on the second Tuesday of the month (apart from July and August) is keen to attract new members.

The group meets at the Centre in Falkirk and offers an opportunity for male carers to get together to enjoy conversation, a sandwich lunch, and a break from caring.

If you would like further information or to come along to this group, contact the Carers Centre in Falkirk.

The Richmond Park Hotel in Bo’ness have recently agreed to provide a room for monthly meetings of the Bo’ness group free of charge and carers are enjoying meeting in this new venue.
Ocean Youth Trust Voyage

Ten young carers from Falkirk and Clackmannanshire took part in a five day voyage with Ocean Youth Trust Scotland over the Easter school holidays.

The group embarked at Greenock onto Alba Explorer for five days of learning to sail on the West coast of Scotland. Accompanying the young carers were two workers Jayne and Craig from the Young Carers Project and the OYT crew, which includes Emma-May Millar who has been supported by the Falkirk and Clackmannanshire Young Adult Carers Project and took part in our first voyage with OYT back in 2015. Emma-May discovered a new passion and now works full time with OYT.

Thank you to the... Greenpark Quilters for their very kind donation of £630 to the Young Carers Project

This will be used to provide activities at young carer groups which give young carers opportunities to explore new interests, make new friendships and improve their health and wellbeing.

Donations

Highland Spring have been more than kind to the Young Carers Project. Not only have they donated pallets of water for the young carer groups, they have also given a generous donation of £250 which funded the travel and lunch for the ten young carers on the Ocean Youth Trust voyage in April.

A grant from the Scottish Government Short Breaks Fund (Better Breaks Programme) allowed the Centre to offer 26 families of children with additional support needs a trip to the Pantomime at Christmas time 2016.

This year a choice of options were available to families: a performance of Peter Pan by Larbert Amateur Operatic Society in the Dobbie Hall in Larbert, or Weans in the Woods at the Macroberts Art Centre in Stirling. These outings allow families to be supported by Carer Support Workers on the day with the option of transport being provided in order for them to attend and any specific needs accommodated if possible. With continued funding, the Centre will look to continue to offer similar events in the coming months.

Funding from the Scottish Government’s Short Breaks Fund and the Falkirk Integrated Care Fund allows the Centre to offer individual grants of up to £300 to fund flexible breaks to eligible carers that will improve their health and wellbeing and help them to cope with their caring role. To find out more, or to discuss making an application to this fund, contact the Carers Centre.

Many thanks to all our generous providers for supporting Respitality for carers. To register your interest in the above or future breaks, contact the Carers Centre.
Forth Valley Carers Card

The Forth Valley Carers Card was piloted across Forth Valley during 2016.

An evaluation was carried out and a report has been produced. This reported very positive feedback from carers that had taken part in the pilot including:

- **87%** agreed that the card helped them to be **identified as carers**
- **62%** said the card had helped them to participate in **discussions about their cared for person**
- **61%** said that the card had helped them **gain information from professionals**
- **78%** felt more **confident and reassured** just by having the card

Carers indicated that the main benefits of having the card had been:

- “It gave me confidence in anything I do in conjunction with my husband’s health”
- “It’s a form of ID, that I use”
- “Being able to ask for more information about my mum’s condition”
- “It proves I am a carer when I’m at the doctor’s or dentist”
- “People recognise that I now do a proper job”

The report has recommended that the Forth Valley Carers Card should continue in its present format and that its potential future development as an emergency card be considered. The report is currently being presented to the Integration Joint Board and it is hoped that the Carers Card will be available to carers from spring 2017.

If you are interested in being issued with a Forth Valley Carers Card once it is available, please contact the Centre and your name will be placed on the waiting list.
Scottish Youth Parliament

One of our young adult carers in Clackmannanshire, Lauren Baigrie, has become an elected Member of the Scottish Youth Parliament for 2017–2019.

Lauren said:
“So happy to announce that I’ve been elected as an MSYP as of June 2017. I’m so excited to begin this new venture and I would just like to thank everyone for their support over the last few weeks. Here’s to exciting times!”

Central Carers Association Membership and AGM

The membership of Central Carers Association (CCA) is made up of carers and those who support the aims of the Association.

A voluntary Board of Directors, elected by the membership of CCA, manages the Falkirk & Clackmannanshire Carers Centre. If you are a carer living in Falkirk district or Clackmannanshire and would like to become a member or renew your annual membership of CCA, please complete and return the enclosed registration form or download a form from our website.

The AGM of CCA will take place in Clackmannanshire in August 2017. Members will be sent an invitation to the AGM nearer to the time of the event.

Social Care Eligibility Criteria Consultation

Falkirk Social Work Adult Services held a social care eligibility criteria consultation event at the Carers Café in April.

The consultation wanted to hear the views of carers on proposed changes to the eligibility criteria which help decide who is able to receive services and support from Social Work Adult Services.
Group Support Activities

Group meetings and carer drop in sessions take place on a regular basis at the Carers Centre and in the community and provide an opportunity for carers to meet with other carers for a cuppa and a chat, share information, hear from speakers on a range of topics, participate in activities and have a break from their caring role.

Carers who attend the groups tell us that they benefit enormously from getting away from their caring role for a few hours and that meeting informally with other carers in similar circumstances helps them to feel better supported and informed – and it is fun!

Please see below for group support listings and times. Details, including current group programmes, are also available on our website.
