25 August [Dementia Challenging Behaviours Explained](#)

People living with dementia often experience changes in their ability to process language, which means it may become increasingly difficult for them to understand words. This can result in many challenges. Vision changes in dementia can be dramatic and can account for numerous *unusual* actions. Come along to learn what causes these changes and how to reduce these behaviours.

01 September [Home Fire Safety – New Scottish Legislation](#)

Learn what homeowners need to know about changes in legislation relating to fire and smoke alarms. This new legislation will come into force on February 2021. **The legislation states that an “Interlinked Fire and Smoke alarm system” must be fitted in every property** and that there should be adequate Carbon Monoxide protection. Find out how this will affect you.

08 September [Home Energy Scotland](#)

The mission of Home Energy Scotland is to help people in Scotland create warmer homes, reduce their bills and help tackle climate change. You may be entitled to the “Warm Homes Discount” or a grant to help raise the energy efficiency of your property. Come along to find out more.
