Fronto Temporal Dementia Carer Sessions

The Fronto Temporal Dementia Carer Sessions are open to carers of people with a confirmed diagnosis of Fronto Temporal Dementia.

The monthly sessions provide information and support to carers in an informal setting. Professionals are also invited on a regular basis to talk about the clinical, social and legal aspects of care.

The following programme will take place on the last Friday of each calendar month from 1.30 pm to 3.30 pm.

Friday 29 September

FTD Awareness Week

The group will celebrate FTD Awareness Week and learn what we can from our peers in other countries.

Friday 27 October

Sensory Experience

This session will explore how cognitive problems can be aggravated by sensory issues such as sight and hearing loss. Hints and tips will be provided to address these issues.

Friday 24 November

Carers Choice

The group will decide this topic when we meet in September.
