

## **We Are Back at Hawkhill Carer Support Group Clackmannanshire**

**Every Tuesday, 1.30 pm – 3.00 pm**

**Hawkhill Community Centre**

The Carer Support Group will be back at Hawkhill Community Centre every Tuesday afternoon, starting on 1st February 2022.

Come along for a wee break, a cuppa and a chat. There will always be a Carer Support Worker in attendance for you to discuss any issues you have or to find out about the services you can access from the Carers Centre.

Carer Support Workers are really looking forward to seeing some well known faces, as well as some of the new carers we have been supporting through the lockdown.

**You can drop-in at any time, but if you need further information, please contact Tracy Gibson, Carer Support Worker on 07818 592992.**
