Mission Statement

Central Carers Association seeks to ensure that carers of all ages in Falkirk district and Clackmannanshire are recognised and valued, receive the information and support they need to allow them to care with confidence and in good health, and are empowered to have a life of their own outside caring.

The Organisation

Central Carers Association (CCA) is the local voluntary organisation that supports carers in Falkirk district and Clackmannanshire and is the managing body of the Falkirk & Clackmannanshire Carers Centre.

Membership of Central Carers Association

Full membership is open to all carers over 18 years of age in Falkirk district and Clackmannanshire and any individual who supports the aims and objectives of CCA.

Associate membership is open to young carers under the age of 18, and representatives of other bodies who support the aims and objectives of CCA.

Why become a Member?

By becoming a Member of CCA you will be demonstrating your support for the work of the organisation and strengthening its voice as a body that represents carers. Full Members are also entitled to vote at the AGM.

Please note however, that you DO NOT have to be a member of CCA in order to receive support or information from the Carers Centre. Carers Centre services are available to all carers in Falkirk district and Clackmannanshire.

Board of Directors

Central Carers Association is managed by a voluntary Board of Directors elected from the membership of the organisation. The Board of Directors has up to 12 members, at least one third of whom are carers.

The Cost

There is currently an annual subscription fee of £5 for full or associate Membership.

If you're a UK taxpayer, you can increase the value of your subscription fee at no extra cost to you.
