Principal Funders of Central Carers Association

Central Carers Association

Is the local voluntary organisation that supports carers in Falkirk district and Clackmannanshire and is the managing body of the Falkirk & Clackmannanshire Carers Centre. The organisation, which is a registered charity and limited company, is managed by a voluntary Board of Trustees who are elected from the membership of the organisation.

Mission Statement

To ensure that carers of all ages are recognised, valued, receive the information, and support they need to allow them to care with confidence and in good health, and are empowered to have a life of their own outside caring.

Values

Central Carers Association aims to provide quality, confidential services that are sensitive to the needs and wishes of local carers and provide opportunities to allow carers to participate in the development of local health and community care services to improve the quality of life for carers and those they care for.

Aims of the Association

- To identify carers and encourage mutual support.
- To raise awareness of the needs of carers and establish carers support groups.
- To co-ordinate views of carers within the Association's area by identifying and raising carers' concerns with policy makers and service providers.
- To assist carers to liaise with all relevant agencies.
- To promote services which help carers.
- To collate and disseminate information relevant to carers within the Association's area.
- To recognise and work with former carers within the Association's area as appropriate to their circumstances and experiences.
- To promote the principle and practice of equal opportunities for all carers.
- To promote good communication, collaborative working and partnerships between statutory, voluntary and community organisations which provide services to carers, to ensure better co-ordinated and more effective support to carers and respective service users.
