

Rosebank Distillery

Falkirk

On Friday 26th September 2025, a carer from Falkirk and Clackmannanshire Carers Centre attended a tour of Rosebank Distillery in Falkirk. This break was generously donated by Rosebank Distillery and was offered to the carer through Respitality. Here is what the carer said:

“The Rosebank tour was really good, me and my brother had a great time. Our guide had so much information to tell us as we went round the distillery. It really is such an impressive, modern building yet it still has a lot of the old brickwork and some wood from the original building has been reconditioned as ceiling beams in a couple of the rooms.

We got a complete history of Rosebank and finished the tour in one of the tasting rooms. Those who were not drinking got to take home 2 miniatures which I would recommend to anyone going as you get a wee presentation bag to put them in. It really is a tour that will benefit so many Carers and their loved ones with so much to see and hear about the history of Rosebank.”
